#7†		✓

† Classic Single Head, SVP or M128 only.

** Tygothane® tubes are application specific; confirm chemical compatibility with the chemical resistance guide in the catalog or on the website. In 26-100 psi (1.8-6.9 bar) applications with a Tygothane® tube, a Pellathane® duckbill is in the check valve; both materials are clear. BDF and M128 pumps are excluded.

QuickPro™ PUMP HEADS

Stenner Pumps—Classic Series, SVP, BDF and the M128 series—are manufactured with a re-designed pump head with a brand new way to change the tube, called the QuickPro™. A pump with the QuickPro™ can be recognized by the latches, instead of screws on the pump head.

	QP69T■K	KIT	select tube # from 1 or 2 for ■ Includes Tygothane®** pump tube, Pellathane® duckbill, ferrules 6 mm

** Tygothane® tubes are application specific; confirm chemical compatibility with the chemical resistance guide in the catalog or on the website. In 26-100 psi (1.8-6.9 bar) applications with a Tygothane® tube, a Pellathane® duckbill is in the check valve; both materials are clear. BDF and M128 pumps are excluded.

NON-Quickpro PUMP HEAD PARTS

Pumps with non-QuickPro pump head are recognized by screws in the pump head instead of latches.

WARRANTY AND CUSTOMER SERVICE

Limited Warranty

Stenner Pump Company will for a period of one (1) year from the date of purchase (proof of purchase required) repair or replace – at our option – all defective parts. Stenner is not responsible for any removal or installation costs. Pump tube assemblies and rubber components are considered perishable and are not covered in this warranty. Pump tube will be replaced each time a pump is in for service, unless otherwise specified. The cost of the pump tube replacement will be the responsibility of the customer. Stenner will incur shipping costs for warranty products shipped from our factory in Jacksonville, Florida. Any tampering with major components, chemical damage, faulty wiring, weather conditions, water damage, power surges, or products not used with reasonable care and maintained in accordance with the instructions will void the warranty. Stenner limits its liability solely to the cost of the original product. We make no other warranty expressed or implied.

Returns

Stenner offers a 30-day return policy on factory direct purchases. Except as otherwise provided, no merchandise will be accepted for return after 30 days from purchase. To return merchandise at any time, call Stenner at 800.683.2378 for a Return Merchandise Authorization (RMA) number. A 15% re-stocking fee will be applied. Include a copy of your invoice or packing slip with your return.

Damaged or Lost Shipments

Check your order immediately upon arrival. All damage must be noted on the delivery receipt. Call Stenner Customer Service at 800.683.2378 for all shortages and damages within seven (7) days of receipt.

Service & Repairs

Before returning a pump for warranty or repair, remove chemical from pump tube by running water through the tube, and then run the pump dry. Following expiration of the warranty period, Stenner Pump Company will clean and overhaul any Stenner metering pump for a minimum labor charge plus necessary replacement parts and shipping. All metering pumps received for overhaul will be restored to their original condition. The customer will be charged for missing parts unless specific instructions are given. To return merchandise for repair, call Stenner at 800.683.2378 or 904.641.1666 for a Return Merchandise Authorization (RMA) number.

Disclaimer

The information contained in this catalog is not intended for specific application purposes. Stenner Pump Company reserves the right to make changes to prices, products, and specifications at any time without prior notice.

PRICES EFFECTIVE JANUARY 1 THROUGH DECEMBER 31, 2012.

POLICIES

Minimum Order

Minimum \$35 (U.S. dollars) order policy.

Distribution

Stenner products are sold through distribution. For assistance in locating a distributor or an authorized service center in your area, please call customer service at 800.683.2378 or 904.641.1666.

Payment

Stenner Pump Company offers terms to customers with an open account. Unless otherwise agreed upon, payment is due within the terms specified on the invoice. Any account that is not kept current will have its open account status revised and any future orders will be placed on hold at our discretion. Stenner Pump Company reserves the right to revoke open account status at any time without prior written notice. Customers with a revoked open account status will be required to pay C.O.D. or charge to a Visa or Master Card.

Taxes

Florida State Law requires a Blanket Certificate of Resale on file (for Florida customers only) to obtain tax-exempt status. Resale Certificate must be renewed annually and copy submitted to Stenner Pump Company to maintain tax exemption.

Trademarks

Santoprene® is a registered trademark of Exxon Mobil Corporation.
Tygothane® is a registered trademark of Saint-Gobain Performance Plastics.
Pellathane® is a registered trademark of The Dow Company.
AquaShield® is a registered trademark of D.A. Stuart.

* Refer to chemical resistance guide for compatibility.
